1 Minute Dog Trainer Empowers Kids with New #1 Bestselling Book "Fun, Fast & Easy Dog Training for Kids"

Kapaaui, HI – May 30, 2024 – As Pet Appreciation Week (June 2nd-8th) and National Children's Day (June 9th) approach, renowned animal behaviorist Tom Mitchell, The 1 Minute Dog Trainer, announces his Amazon #1 bestseller, "Fun, Fast & Easy Dog Training for Kids: Super Dog Training Academy."

Narrated by Roxy the Super Dog, this informative book empowers children to train their dogs and build strong connections. "Fun, Fast & Easy Dog Training for Kids" is packed with easy-to-follow instructions, fun activities, and colorful illustrations.

In a recent publication, Kirkus Review wrote: "With an emphasis on patience and understanding, this manual communicates important lessons that children may apply to other parts of their lives." Kirkus went on to say it "highlights the importance of treating dogs with respect—an important thing for children to learn."

A Unique Approach to Dog Training for Busy Families

"Fun, Fast & Easy Dog Training for Kids" features the innovative 1 Minute Dog Training method, ideal for busy families with limited time. The book also features the Tellington TTouch® method, a calming technique that helps dogs gain confidence.

"Tom's technique changes people's relationships with their dogs by promoting an attitude of gratitude for our canine friends," said Linda Tellington-Jones, Founder of the TTouch.

Empowering Kids and Fostering Responsibility

"Fun, Fast & Easy Dog Training for Kids" does more than train dogs; it empowers children. By teaching positive training methods, the book builds trust between kids and their dogs. Studies have shown that positive interactions with pets improve social-emotional development in children.
